# ABOUT COMPANY

Our company is a small SHOYU brewery that has been crafting soy sauce in Japan for over 127 years. Throughout six generations.

We take pride in our unwavering commitment to quality and our unique capabilities in product development. Our export volume is on the rise in the United States, and we anticipate significant demand in the foreseeable future.

# OUR MISSION

Our mission is to spread the message that the potential of *SHOYU is X (infinite)* to the world. We aim to demonstrate that SHOYU can be the key to transcending culinary boundaries, bridging cultures, and enriching dining experiences. SHOYU, as a part of the culinary magic, continues to captivate the world.
